FETV Launches on Sling TV

South Bend, IN - FETV (Family Entertainment Television) announced today it has reached an agreement with DISH to launch on virtual provider Sling TV. The network is now available to more than 2 million Sling subscribers.

“We greatly value our partnership with Dish, and we are pleased to bring our family-friendly content to Sling subscribers,” said president and CEO Drew Sumrall. “Launching on Sling is a pivotal step forward for FETV. Now more than ever, families are looking for comforting, quality entertainment, which our network provides.”
